

## Guidelines for Poster Presentation

All posters will be displayed in the poster area—Conventional Hall C. Presenters can set up their posters on February 14, 2023, at 7.00-8.00 pm and on February 15, 2023, at 7.00-8.30 am.

Each poster board will be numbered in the top right corner. Presenters will be given a poster board number to identify the correct space for putting up the posters.

The poster size must not exceed the limits of 90 cm wide and 120 cm high. The orientation is '**portrait**' style. The title, author(s), institution, and e-mail address are to be prominently displayed across the top border of the presenters' posters. Some adhesive materials will be available in the exhibition areas.

The presenters should be at their posters during the opening poster presentation and exhibition ceremony on February 15 from 10.20 to 10.45 am. All presenters are required to remove their posters on February 16, during 3.00-4.00 pm.
